Dinner & Overnight River Lee Cork.</p>
<p>Day 4 October 13 Tuesday</p>	<p>Cork-Kinsale-Cork. Today, we depart Cork and make our way to Kinsale. Kinsale in County Cork is one of the most picturesque, popular and fashionable resorts of the south-west coast of Ireland. Famous for its beautiful yachting, sea angling, gourmet restaurants and golf. Charles Fort, a popular attraction was constructed in the late 17th century on the site of an earlier coastal fortification. Charles Fort is a classic example of a star-shaped fort and has five bastions. The two seaward bastions, the Devil's and the Charles' were for defending the harbor and both are casemated - that is, they have gun embrasures inside as well as on top of the walls. Desmond Castle, (French Prison) Cork Street, Kinsale, built as a custom house by the Earl of Desmond c. AD 1500. Desmond Castle has had a colorful history, ranging from Spanish occupation in 1601 to use as a prison for captured American sailors during the American War of Independence. Known locally as 'The French Prison' after a tragic fire in which 54 prisoners, mainly French seamen, died in 1747. The castle was also used as a borough jail from 1791 to the onset of the Great Famine when it was used as an auxiliary workhouse tending to the starving populace. Time to explore this area. We return to Cork. Overnight at the River Lee Cork</p>
<p>Day 5 October 14 Wednesday</p>	<p>Cork-Blarney-Killarney. Morning departure from Cork has us traveling to Blarney Castle, is home to the blarney stone, which legend has it bequeaths the "gift of eloquence" to all who kisses it. Time to shop at the woolen mills or stop in Christy's Pub for a Pint! Our journey takes us east over the Kerry and Cork Mountains to Macroom where we pause for a short visit. This is the main market town for the Gaelic speaking region to the west. Macroom Castle dates from the 13th century and was the seat of the McCarthys of Muskerry. Oliver Cromwell granted it to Admiral Sir William Penn whose namesake son spent much of his childhood here and later founded the Commonwealth of Pennsylvania. Dinner & Overnight at the Killarney Plaza Hotel.</p>
<p>Day 6 October 15 Thursday</p>	<p>Killarney- Dingle- Killarney. After breakfast we depart Killarney for the Dingle Peninsula. The journey begins with some of the most magnificent scenery in all of Ireland. The little town of Dingle is straight out of a story book. The fishing boats in the harbor and tiny brightly painted pubs portray a time that has continued to stand still. The population of 1500 people and only 52 pubs are ready to welcome you this afternoon. Worth the wait is the native seafood chowder served up at lunch time with freshly baked brown bread. We continue to Sleat Head. Along the way, we will see beehive style huts, originally inhabited by 12th century monks, which overlook the rugged Blasket Islands. The awe-inspiring beauty of this area is unmatched. There is no other landscape in western Europe with the density and variety of archaeological monuments as found on the Dingle Peninsula. Overnight at the Killarney Plaza Hotel</p>
<p>Day 7 October 16</p>	<p>Killarney-Cliffs of Moher-Galway. After a full Irish Breakfast we depart Killarney and travel north to Adare, once voted "The Prettiest Village" with its authentic thatched roof cottages. We continue through Limerick, Ireland's 3rd largest city and home to author Frank</p>

Friday	McCourt who wrote Angela's Ashes. Limerick is an area steeped in history. The origin of Limerick city dates back to the 9th century a site settled by the Vikings. Limerick City is known as "City of the Broken Treaty", due to the treaty which was signed surrendering the city to William. The terms of the treaty included respect for the rights of Catholics were immediately breached. The treaty was signed on the Treaty Stone which can still be seen today. King John's Castle is a fortified 13th century Castle on 'King's Island' in the heart of medieval Limerick. The castle overlooking the river Shannon opens an exciting window on the lives and stories of the people through political upheaval, war and famine. Archaeological excavations open to the public roll back the mists of time to pre-Norman houses which predate the castle by 100 years, as well as siege mines, garrison and soldiers quarters and sallyport all found under the level of the present courtyard. The castle itself features an imaginative exhibition spanning the castle's history. We make our way north to the Burren to visit the Cliffs of Moher . It is onto Galway.
